Dear Sir:

We are an independent, national marketing research organization. We have been asked to survey the readership of several major newspapers.

We would appreciate your assistance.

One part of this survey is to determine newspaper readership among key officials and members of the Federal government to indicate newspapers' service to our nation's leadership.

Would you, or your secretary, please take a few moments to complete the enclosed brief questionnaire and return it to us in the enclosed postage-paid envelope.

Please be assured that this survey is strictly confidential. No individual responses will be released. We will provide our client only tabular summarizations of all responses to this survey. The enclosed questionnaire need not be signed.

Thank you.

Respectfully yours,

William Knobler Vice President
